Date of issue: **October 06, 2025**

Alexander Heusingfeld
Chairman of the Executive Board

Mirko Hillert
Managing Director

* Accreditation as an iSAQB® Accredited Trainer entitles the holder to conduct CPSA trainings, as long as these are conducted within the scope of a user license granted by the iSAQB to the training provider.

** This accreditation is valid for an unlimited period. However, it expires automatically if the trainer does not conduct the CPSA training in question at least once within three years. The period is recalculated from each training that has taken place. granted by the iSAQB to the training provider.
